Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

Forerunner, United States, 2012. Paperback. Book Condition: New. 212 x 138 mm. Language: English . Brand New Book ***** Print on Demand *****.One man s journey into a ten year living nightmare and his astonishing true story of return. Was it an insane delusion or a Satanic deception? This is a tale both incredible and terrible, yet studded with life affirming humor and hope-filled insights into the spiritual realities that surround us. From the first chapter: . .It was then that god showed up. The divine being that had come into my off-campus farm house at Duke one and a half years earlier now reappeared. Then it had been bathed in shimmering light, filled with promise. Now it simply was there. More real than the floor and walls. More real than me. I knew full well its past displeasure with me and shrank inwardly at realizing that it knew also how ignobly I had failed once again to find the way to rise into its higher life. So began the Descent. Throughout history untold millions have tragically tumbled down the rabbit hole of insanity into the unsearchable depths of a shattered mind. Few have ever returned to tell about it. Part comical romp through the countercultural landscape of the 60s, part expose of the dark side of the force, Rescued from Hell is a cross between One Flew Over the Cuckoo s Nest and Dante s Inferno. It is the bizarre tale of an unsuspecting spiritual voyager caught in a spider web of New Age spirituality and cocooned in a terrifying,...
