

The Puzzle: Exploring the Evolutionary Puzzle of Male Homosexuality

By Berman, Louis A.

Godot Press. 1 Paperback(s), 2003. soft. Book Condition: New. A former professor of psychology and a counseling psychologist, Louis Berman here explores the Darwinian implications of homosexuality, offering a broad-based look at the apparent paradox of a condition that does not seem to promote species survival yet has remained universally present throughout human history."Sherlock Holmes would have enjoyed The Puzzle. Louis Berman has investigated the mystery of homosexuality with as much attention to detail as Holmes exemplified in solving murders. In an area where most writing is intended to bolster strong opinions, Berman's book is unique in its careful, thorough gathering and weighing the evidence."Wilbert McKeachie 584.
