Brand New Book ***** Print on Demand *****.BDSM, Autoerotic Asphyxiation and Other Sexual Oddities is a book that looks at the broad range of sexual behaviors that can be considered deviant. The author discusses just how we determine what exactly deviance is, and whether it can be considered to exist at all. The reader will find many surprises in this book, as he names many famous and noted individuals who had sexual tendencies of an unusual nature. He also discusses sex within the context of the Bible and of how the Bible records many forms of sexual behavior, even though some could be considered perverse. He discusses and analyses the death of the Australian rock star Michael Hutchence and concludes that the rock star died while engaging in a sexual technique called autoerotic asphyxiation and that his death was not suicide. It is a book that readers will find informative and the material within surprising. For anyone who wants to read about what happens beyond straight sex then this book is for you.
