God appointed Seven Feasts for the Hebrew people to celebrate and to remember until the end of time. Through those Seven Feasts, God not only spoke directly of his plan for mankind, but he also gave us some beautiful historical - and future - pictures of his plan of redemption and provision embedded within the precepts of the ancient Mosaic Law. As we look at each of these Seven Feasts, we should not only be amazed and astonished at God's consistency and perfection in all that he does; but we should also realize that each event prophesied in the Seven Feasts has, thus far, unfolded perfectly and will continue to do so in the time to come. The first Four Feasts were fulfilled in the days of Christ and the Early Church; but the last three await God's perfect timing for their fulfillment in the End Time.
