

## Sound of the Ax: Aphorisms and Poems by William Stafford

By Vincent Wixon, Paul Merchant

University of Pittsburgh Press. Paperback. Book Condition: new. BRAND NEW, Sound of the Ax: Aphorisms and Poems by William Stafford, Vincent Wixon, Paul Merchant, Sound of the Ax brings together for the first time over four hundred aphorisms and twenty-six aphoristic poems by one of America's most essential poets of the twentieth century. Many readers are familiar with the trenchant nature of William Stafford's poems, with lines such as "Justice will take us millions of intricate moves" and "Your job is to find what the world is trying to be," but have never had the opportunity to read a sustained selection from the thousands of wise, witty and penetrating statements he created in over forty years of daily writing in his journal. In keeping with Stafford's varied interests, the aphorisms in Sound of the Ax explore many topics - war and peace, involvement, ageing, appearances, fear, egotism, writing, nature, animals, suffering, faith, living an ethical life, and so on - with his incisive view. The poems are either made up entirely or primarily aphorisms, and range from the well-known "Things I Learned Last Week" to some never before collected. Readers will find much to enjoy and to think about here,...

### Reviews

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- **Ally Reichel**

*This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).*
