

Naked Hearted: How Bullshit, Parkinson's and John Lennon Changed My Life (Paperback)

By Lois E Kelly

Foghound Press, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****. What happens when we have the courage to accept the truth of our lives and lay bare our vulnerabilities and secrets? We become who we really are and allow our lives to be filled with wondrous, fearless, naked-hearted love. In a world where we present our filtered best selves, business maverick Lois Kelly is calling bullshit. In her debut collection of personal essays, Lois' tender, revelatory, and hilarious stories show us how to stop posturing, accept vulnerability and kindly claim our whole, big selves. Lois removes the filters and recounts not having enough milk money in elementary school, shamefully shoplifting with her grandmother, being tempted by an emotional affair, struggling to accept her husband's Parkinson's Disease, and finding the soul of work. These tales are illuminating and heartbreakingly funny and wise. Lois writes about life with the honesty of Brene Brown, the soul searching of Elizabeth Gilbert, and the wit of Nora Ephron. Her chronicles invite us to wonder and revisit our own stories, claiming our naked-hearted real selves.

Reviews

This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Natalie Abbott

This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be playful, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.

-- Rene Olson
