The secret sleeps in darkness deep, where worthless and majestic meet and cowards come to guard their keep. Found among ashes and charred historical artifacts, The Legend of Demnog follows the last of the Narethemar-the most powerful race to ever be created-in the lands of Demnog and Wooernog, where two governments are locked in conflict in search of an ancient treasure and a suit of armor. With only a cryptic riddle as their first clue, four strangers-Cleatis and Sesstis Pumpernickle, Gottlieb of Shifting Corners, and Unsun Uvskapple-converge on their fated destination to seek out the source of these mighty conflicts, unaware that they are about to embark on a perilous journey. In this tale of mysteries and dark secrets, four men soon discover that their chosen paths are about to lead them to discoveries that they never could have imagined. Through personal recounts of their fragmented pasts and dialogues with moot guides, each of these four men unknowingly finds himself simultaneously living out two vastly different lives in The Legend of Demnog.
