AUTHORHOUSE, United States, 2009. Hardback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. This collection of poems is organized in four sections that depict the chronological evolution of my emotional states. Sections and poems can be read in any order at readers preferences. The first section, entitled Waves from Lost Connections was inspired by the painful state of a wounded soul under the blow of the unexpected departure of a presumed life partner who, after vowing to be there for richer or for poorer, in health and in sickness, could not keep that vow. Feelings of deep unhappiness and sadness received from the vibes of lost connections are expressed here as a cathartic attempt to heal body, mind and soul. This section is especially appropriate for those with a craving for a healthy dose of melancholia for healing purposes. The second section under the title Blossoms of Found Connections expresses the newly found, uplifting state of the soul after it found its true missing half. Serene Feelings of a life full of hope and happiness are brought out here to celebrate the new found beatitude provided by the blossoms of found connections. This section is particularly beneficial to those who are ready to experience a rainbow of hope and happiness in the aftermath of an emotional storm. The third section entitled Waves from Deeper Connections is a natural extension of the previous one. Here, the ensuing journey in search of deeper connections is pursued to uplift and free the soul and spirit into higher dimensions of feelings beyond the human materialistic dimension. This section reaches further down into the body and soul connection. Section four entitled Rays from the Inner and Outer Worlds is most appropriate for any soul seeking to reach the profound connection...
