Penguin Putnam Inc, United States, 2015. Paperback. Book Condition: New. 172 x 107 mm. Language: English . Brand New Book. From the award-winning author of You Really Got Me comes the next romance in her red-hot Rock Star Romance series, about a rocker who lives for his music and loves with all his heart. Derek Valencia finally has the success he's worked so hard for. His band is touring its debut album and great reviews are rolling in. But when pictures of him tossing naked groupies off a balcony go viral, it's damage-control time. He's assigned a babysitter whose sole job is to keep him out of trouble. Violet Davis swore she'd never work in the music industry again, but being a minder for a rock star will earn her enough to pay off the mortgage on her wildflower farm. And for a girl brought up in the foster care system, owning her own home means more to her than anything. Though at first the two bang heads, the rocker and the farm girl soon grow close and realize that they make sweet music together. But can a girl who craves the stability of life on a farm really make it work with a man whose life is spent on the road with his band?.
