Motilal Banarsidass Publishers Pvt. Ltd., New Delhi, India, 2012. Softcover. Book Condition: New. First Edition. The primary goal of the series is to explore and study the relationship between spirituality and health in a concise and readable format. It will seek to integrate spirituality into medicine on a scientific basis. It will shed new light on major contemporary issues in this fascinating area of research. It'll bridge the chasm between health and well-being on the one side and religion and spirituality on the other. It'll provide a comprehensive review of the research on the interface between medicine and spirituality. It'll also endeavour to go beyond research by offering clear, concise and helpful recommendations on how to address spiritual and health issues and how to utilize the expertise of all professionals to provide the best and most compassionate care possible. Printed Pages: 288.
