

Science Activities for All Students (Hardback)

By Aviva Ebner

Facts on File Inc, United States, 2009. Hardback. Book
 Condition: New. 2nd. 325 x 307 mm. Language: English . Brand New Book. Science Activities for All Students is a two-volume binder set that replaces Science Projects for All Students and More Science Projects for All Students . Developed with the basic assumption that all students should and can participate in science activities, these new binders enable students in grades 4 through 9 with developmental or physical challenges to join their classmates in fun, hands-on activities. There are 60 experiments in each binder - designed to be as inclusive as possible - in the areas of basic skills, Earth science, weather, space science, life science, and physical science. Each binder is also enhanced by approximately 250 black-and-white line illustrations, as well as a glossary, a bibliography, an index, and helpful Teachers Hints, making these appealing volumes an essential addition to science classrooms.
