## NAVIGATING THE ROAD TO COLLEGE: A HANDBOOK FOR PARENTS (PAPERBACK)

Createspace, United States, 2011. Paperback. Book Condition: New. 212 x 138 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Kris Hintz, independent college admissions consultant and founder of Position U 4 College LLC, has created a reflective guide for parents launching a teenager from high school to college. It is roadmap to help your teen thrive in high school, choose a college that is the right fit, communicate distinctive strengths in the college application, and enter college with independence and purpose. As a parent, Kris also offers personal observations about the emotional rites of passage that both parents and adolescents experience in the journey from high school to college. Advanced praise from: Lynn O Shaughnessy, author of The College Solution and college blogger for US News World Report, CBS MoneyWatch and The College Solution. Just thinking about the college admission process can be scary and daunting, but Kris Hintz can help you greatly reduce your stress level as you navigate your college choices. Her book shares practical ways that students can increase their chances of getting into wonderful colleges and universities that are the absolute best fits! I highly recommend this book. Don Betterton, former nancial aid director and admissions committee member of Princeton University, College Board trustee, and consultant to universities and families. Navigating the Road to College is a well-written, lively, and important read for any parent with a child looking ahead to college, applying to college, or going off to college. Although I ve been in the college admission business for 40 years, I soon found myself with a highlighter in hand, marking sentence after sentence of helpful information that I plan to use with my own clients. Truly a signi cant addition to the eld of college guides. Carol Fishman Cohen, co-author of...
