After Jamie and Angie watch a surveillance tape of two men brutally killing two innocent police officers, something inside them breaks . . . or perhaps something is fixed. Either way, they know that they can be better crime fighters than those standing around doing nothing. So they begin petitioning the highest levels of government to offer their help. Eventually, they meet the president of the United States. Persuaded by their patriotism, he arranges for them to begin training to become super human fighting machines. Lurking in the background, however, is crime lord Tony Nastasi, successor to Eric Bonastie, who assumed control of a criminal organization known as MEAW International. The M stands for money, the E for espionage, the A for ammunition, and the W for weapons. Angie, who was pursued by Jamie, is the former mistress of Eric. Seeking revenge, Eric, in an earlier period, forced Jamie to a shootout and was blown up by a Molotov cocktail thrown by Jamie. Now there is bad blood between MEAW, Jamie and Angie. Join Jamie and Angie as they battle villains in firefights, fight for their country and put their love above everything else in **HELL CAME on a pretty day: Vigilante Justice**.
