Createspace, United States, 2013. Paperback. Book Condition: New. Large Print. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.I have decided to write short stories because I have discovered that my words have a profound effect on people. All of the stories that you will read from me will be based on true scenarios and actual events. My book will cover life details about survival, abuse, religion, appetite, the afterlife, love, maturity, execution, relationships and children. The elements of my stories you will find to be detailed, precise and descriptive. This is the way of capturing my audience and placing them in the element of that moment, so please read and enjoy.
