This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2011 in the subject Business economics - Marketing, Corporate Communication, CRM, Market Research, Social Media, grade: A, University of Illinois at Chicago, language: English, abstract: The business sector has always realized the importance of developing a strategic marketing plan. Similarly, the sports sector has also recognized the need to establish a marketing plan to ensure high-quality performance and success. Many researchers in the field of sports argue that sports will not survive without a strategic marketing plan. The reason for this is the increased competition inherent in the entertainment industry. The A.I.S, as Australia's main national sports institute, is not exempted from implementing a marketing plan. A.I.S was founded with the aim of improving the sports industry in Australia. Since its inception, the institute has served successfully the nation's sports industry. However, as the world is constantly developing more innovative programs, A.I.S faces many challenges and competition from other sports institutes that provide high quality and entertaining sports. To remain competitive in this sector, a marketing plan is crucial. The strategic...
