The following pages are due to a long yet incomplete study of the symbolic use of numerals in ancient literature and monumental work. The builders of old Egyptian and Asiatic civilizations attached great importance to numbers as an exact language in which physical and spiritual ideals could be expressed and preserved. The number seven was...

## Reviews

---

*Totally one of the better pdf I have at any time read through. It really is simplified but shocks within the 50 % from the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
