## Homunculus: Fairy Tales for Adults

By Aleksandar Prokopiev, Will Firth

Istros Books. Paperback. Book Condition: new. BRAND NEW, Homunculus: Fairy Tales for Adults, Aleksandar Prokopiev, Will Firth, Homunculus is billed as a collection of sixteen 'fairy tales for adults' with something for every reader. The author has largely retained the classical fairy-tale structure with its elements of surprise and the constant intertwining of the real and unreal, but he transcends the sugar-sweet endings we are familiar with. Along with typical fairy-tale features like the interplay of humans and animals, he presents us with a wide range of more mature themes - the erotic, the tragic, the absurd - set amidst dichotomies on an adult wavelength: mythical vs. urban, banality vs. wisdom, as well as issues of guilt and longing. Some of the stories are related to existing internationally known fairy tales such as 'Tom Thumb', where the main character struggles with an oedipal bond with his mother, or 'The Huntsman', told from the perspective of the hunter sent out to kill Snow White. Others go back to Macedonian folk roots or have been freely composed by Prokopiev himself, but all of them are rendered with humour, skill and a noticeable love of life!.

### Reviews

*This is the finest book i have got study right up until now. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- Keanu Johns

*This is the finest book i have read until now. It is filled with wisdom and knowledge You can expect to like just how the author compose this ebook.*

-- Tobin Lesch
