David C Cook Publishing Company. Paperback. Book Condition: new. BRAND NEW, Be Authentic (Genesis 25- 50): Exhibiting Real Faith in the Real World (2nd), Warren Wiersbe, Anybody can travel with the herd. It takes faith to be yourself and resist the forces that want to make you conform to the thoughtless crowd around us. In this study of Genesis 25-50, you will meet three unique men (and some unusual women) who dared to be authentic: Isaac, whose quiet life made a difference in history. Jacob, who had his ups and downs but ended up a prince. Joseph, who suffered unjustly but was given a throne. These familiar Bible characters and their stories take on new meaning as you see God making them into authentic people who accomplish His will in the world. They will teach you: How to live with people who make your life miserable Why families fall apart How to make new beginnings when you've failed What to do when your dreams become nightmares How to enrich the next generation with your faith.

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
