

Understanding Native America Myths

Filesize: 2.89 MB

Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

(Prof. Loyce Runolfsson Jr.)

UNDERSTANDING NATIVE AMERICA MYTHS

Crabtree Publishing Co,US. Paperback. Book Condition: new. BRAND NEW, Understanding Native America Myths, Megan Kopp, Explore the rich worldview of Native North American tribes through their myths and legends. Tales originating from various tribes functioned in a number of important ways: they explained the story of creation, described the relationship of humans to the rest of the universe, and preserved the sacred history of the tribe. In addition, myths and storytelling helped Native Americans pass on knowledge related to hunting, fishing, farming, healing the sick, and dealing with conflict or disaster.
