SPECIAL FEATURES As outlined in detail elsewhere, the Baylor Normal will offer courses in preparation for examination in all the subjects required for a teachers certificate, and the classes will be of reasonable size to the end that all members may receive the full benefit of the instruction. In addition to these regular features of Normal work, the Baylor Normal has the following special features, of great interest to all students of education. Public Lectures Throughout the term of the Normal, the Chapel hour, except for a brief period of worship, will be devoted to educational topics of wide interest. For a list of the lectures see under the Faculty. There will also be popular Stereopticon lectures by members of the Faculty on travel, history and teaching. These lectures will probably be given on the campus. It is purposed to have music recitals of high class for the free entertainment and culture of the Normal and other students. Round Table Conferences A meeting of the faculty and interested students each day, at the close of the daily program, for an informal but vigorous conference concerning school problems of common interest has by sheer force of value to those participating become an established institution in the Baylor Normal. Factors that contribute to the success of the Round Table are the large proportion of faculty and...
