United Nations. Paperback. Book Condition: new. BRAND NEW, Latin America and Asia Pacific Trade and Investment Relations at a Time of International Financial Crisis, United Nations, The global economic crisis has put an end to a period of worldwide expansion and halted the integration of Latin America and developing Asia with the international economy. Current and expected economic weakness in the advanced economies has led us to look elsewhere for sources of growth. Emerging economies in Asia and Latin America have increased their contributions to world production, finance, and trade in the past decades. In doing so, the two regions have deepened their economic ties with significant implications for the recovery of their respective economies. This paper discusses the impact of the crisis on the commercial patterns inside and outside the Forum for East Asia Latin American Cooperation (FEALAC) bloc.
