

Adorno and Theology

Filesize: 1.24 MB

Reviews

This pdf will not be simple to start on reading through but extremely enjoyable to see. I have read and i also am sure that i will planning to read through again once more in the foreseeable future. You wont really feel monotony at whenever you want of the time (that's what catalogues are for relating to if you request me).

Bloomsbury Publishing PLC. Paperback. Book Condition: new. BRAND NEW, Adorno and Theology, Christopher Craig Brittain, This is an introduction to the core ideas in Theodor Adorno's work and their relevance for theology. Theodor Wiesengrund Adorno (1903-1969), the German sociologist and philosopher was one of the intellectual leaders of the post-war Frankfurt School. This book presents and analyzes Adorno's writings on theology and religion in a clear and accessible manner. It is targeted at upper level undergraduate and postgraduate students, and will not presuppose any familiarity with Adorno. The book includes a general introduction to Adorno's thought, and examines his relationship with the work of Walter Benjamin and Jewish theology, his confrontation with scientific positivism (Karl Popper), and his criticism of the 'Culture Industry' and ideology. All of these topics are explored with attention to how they engage with contemporary debates within theology. This is accomplished by bringing Adorno's work into dialogue with major concerns and authors. The volume concludes by highlighting an often neglected aspect of Adorno's writing - his philosophy of music - and how this aesthetic appreciation of the sublime informs contemporary theological reflection. "The Philosophy and Theology" series looks at major philosophers and explores their relevance to theological thought as well as the response of theology.
