Siguides, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Run, ride your bike and enjoy yourself next to Jake Jameson, the most active child alive (according to his mother). But also prepare yourself to join him in a story that will-literally-take your breath away. While Jake is playing with his friends, he begins to have difficulties when breathing and is whisked away to the Emergency Room. He is diagnosed with Asthma, as so many children are today, and must learn all about the condition and how to take care of himself. This brilliant guide allows children to learn about Asthma through a kid-friendly, entertaining story. This book is part of the Storybook Illustrated Guides (// which main goal is to serve as an educational resource that will benefit parents and children alike. The fictional stories include characters, who are just like you/your child, that discover why they are different and learn that they can overcome and lead normal lives. Each book is fundamentally divided into three sections: 1) Created for parents and caregivers, practical and useful tips to help recognize symptoms of conditions covered in each book. 2) The stories themselves, illustrated to capture children's interest while educating them about various illnesses. 3) A list of online resources that adults can use to learn more about conditions.
