

## The Media Show: Changing Nature of the News, 1985-90 (Hardback)

By Edwin Diamond

MIT Press Ltd, United States, 1991. Hardback. Book Condition: New. New.. 211 x 145 mm. Language: English . Brand New Book. The Media Show is a lively analysis of one of the underreported major stories of our time: the growing power and influence of the media. In these essays and reports critic Edwin Diamond takes a hard look at the methods of the American media during a period of heightened competition and increased conglomeration, focusing on the way news stories are shaped, and sometimes distorted. Diamond first considers some of the consequences of the new order created by richer technologies and lowered aspirations. He explores the mixed results of this new system, including marked changes in American broadcasting as the networks downsize their expenditures to news and public affairs coverage. There is, he notes, often a serious conflict within networks between the public good and the bottom line, a conflict that the news media generally chooses not to examine. Diamond then scrutinizes the role of style and personality on television. Next he turns to specific examples of television coverage of the defining topics of the late 1980s and early 1990s, including the arrival of cable technology and CNN, which changed the way...
