Alfred A. Knopf, United States, 1993. Paperback. Book Condition: New. Reprint. 274 x 234 mm. Language: English . Brand New Book. In this magnificent new cookbook, illustrated with full color throughout, Julia Child give us her magnum opus--the distillation of a lifetime of cooking. And she has an important message for Americans today. . . --to the health-conscious: make a habit of good home cooking so that you know you are working with the best and freshest ingredients and you can be in control of what goes into every dish --to the new generation of cooks who have not grown up in the old traditions: learn the basics and understand what you are doing so cooking can be easier, faster, and more enjoyable --to the more experienced cook: have fun improvising and creating your own versions of traditional dishes --and to all of us: above all, enjoy the pleasures of the table. Or master her perfect broiled butterflied chicken, and next time Deviled Rabbit or Split Cornish Game Hens Broiled with Cheese will be on your menu. In all, there are more than 800 recipes, including the variations--from a...
