GOVERNMENT OPERATIONS: STATUS OF PRIOR GAO RECOMMENDATIONS ON SELECTED DISTRICT OF COLUMBIA PROCUREMENT: GGD-86-64BR

BiblioGov. Paperback. Book Condition: New. This item is printed on demand. Paperback. 26 pages. Dimensions: 9.7in. x 7.4in. x 0.1in. Pursuant to a congressional request, GAO: (1) reviewed the status of recommendations it made to the District of Columbia (D. C.) concerning procurement matters; and (2) attempted to determine whether any national standards exist for local government procurement. GAO found that: (1) while the University of the District of Columbia (UDC) attempted to improve compliance with its procurement procedures, about 23 percent of its fiscal year 1985 procurement transactions were noncompliant; (2) an internal UDC audit identified a number of common instances of noncompliance; and (3) UDC personnel continued to initiate a large number of unauthorized procurements. GAO also found that the D. C. Department of Administrative Services has: (1) revised its procurement reporting system; (2) strengthened its procurement procedures to require more competitive procurements; and (3) drafted standard contract option clauses. In addition, GAO found that, while the D. C. Public Schools (DCPS) took a number of actions to reduce noncompetitive procurement, they have not been successful because DCPS has not: (1) made effective use of inventory control systems; (2) reduced the use of blanket purchase agreements; (3) improved planning to reduce emergency purchases; or (4) timely completed property and equipment inventories at DCPS facilities. This item ships from La Vergne, TN. Paperback.
